OVERVIEW

Highly motivated, easily adaptable, resourceful and well respected in my network. As manager, I have created and maintained great working relationships with clients in the music industry and our staff while creating a company culture that encourages self-growth and personal achievements.

WORK EXPERIENCE

Crosby Collective Recording Studios

Client Services / Studio Manager 2019 - Present

Work closely with artists signed to 300 Entertainment, strategically match clients to employees to maximize productivity.

Lead the staff in preparation for sessions, problem solve in a timely and effective manner.

Manage 24/7 scheduling of 15-20 staff under short notice.

Track budgets of artist and company spending in Microsoft Excel. Track invoices and payment information.

Manage session reports and credits for songs recorded, as well as scheduling sessions.

Client Services Coordinator 2018 - 2019

Maintained cleanliness of studio as well as supplies.

Execute tasks in a timely and accurate manner.

California Lutheran University Music Department Assistant 2016 – 2017

Scheduled use of school studio by students.

Planned, managed, and coordinated the entertainment lineup for California Lutheran's annual music festival, Callupalooza.

Managed auditions and curated the lineup.

Performed the duty of stage manager. Ensured all eleven acts had the right equipment, went on stage at the right time and that the show ended by the 10pm curfew.
